

## DOCUMENTS NECESSARY FOR TRAVELING TO CROATIA.

### **Border formalities**

Foreign visitors must have a valid passport or some other personal ID, on the basis of which the border crossing will be all allowed.

### **Visas**

Entrance or transit visas are issued in embassies and consulates of the Republic of Croatia and on every border crossing.

### **Custom formalities**

Foreign visitors are allowed to carry in Croatia their personal luggage without limits. Technical appliances, cameras, camping equipment, boats and boat equipment should be declared.

**Your pet must have a vaccination card and a proof of the veterinary check-up.**

### **Motor vehicles:**

Green insurance card for motor vehicles and owner's authorization, if a driver isn't a vehicle proprietor, are obligatory.

### **Travel documents**

If you are staying in Croatia no longer than 90 days, all you need is a valid passport and if you are from most European or American countries or Japan, you don't need a visa.

Please check the list of countries whose citizens don't need a visa for Croatia.

For the latest information on the visa system, visit the web pages of Ministry of Foreign Affairs of the Republic of Croatia <http://www.mvp.hr/>.

## **Visa system**

### **Issuing a visa**

Entering visas for Croatia are issued by embassies and consulates of the Republic of Croatia. By exceptions only, a visa can be issued at international border crossings of the Republic of Croatia.

Children must be entered in passport of one of the parents or have his/her own passport. Loss of a passport or other personal document must be reported to the nearest police station. Police will issue you with an official document registering the loss of document which will serve you while submitting an application for issuing a new passport.

Pets are not obliged to a quarantine while crossing the border, but must have a valid document on received vaccines.

### **Customs regulations**

- Foreign citizens may enter the Republic of Croatia with personal luggage without limitations. All technical equipment, cameras, camping equipment, vessels and vessel equipment, as well as radio equipment have to be declared upon entry to Croatia.
- Pets may enter the country by submitting the vaccination certificate and the veterinarian chart.
- You need a licence for your motor vehicle, green insurance card and owner's authorization if the vehicle is not operated by the owner.
